

Last Kiss

J. Frank. Wilson

Oh, where oh, where could my baby be?
The Lord took her away from me
She's gone to heaven, so I got to be good
So I can see my baby when I leave this world
We were out on a date in my daddy's car
We hadn't driven very far
There in the road straight up ahead
A car was stalled the engine was dead
I couldn't stop, so I swerved to the right
I'll never forget the sound that night
The cryin' tires the busting glass
The painful scream that I heard last
Oh, where oh, where could my baby be?
The Lord took her away from me
She's gone to heaven, so I got to be good
So I can see my baby when I leave this world
When I woke up the rain was pouring down
There were people standing all around
Something warm running in my eyes
But I found my baby somehow that night.
I raised her head she smiled and said
"Hold me darling for a little while"
I held her close, I kissed her our last kiss
I found the love that I knew I have missed
Well, now she's gone even though I hold her tight
I lost the love of my life that night
Oh, where oh where could my baby be?
The Lord took her away from me
She's gone to heaven, so I got to be good
So I can see my baby when I leave this world
God Is good
all the time
All the time
God is good
