

Tired of Being Alone

Solettta

I'm so tired of being alone
I'm so tired of on-my-own
 Won't you help me girl
 Just as soon as you can?
People say that I've found a way
 To make you say that you love me
Hey baby, you didn't go for that it's a natural fact
That I wanna come back show me where it's at, baby
 I'm so tired of being alone
 I'm so tired of on-my-own
 Won't you help me girl
 As soon as you can?
I guess you know that I, uh, I love you so
 Even though you don't want me no more
Hey hey hey hey, and I'm cryin' tears all through the years
 I'll tell ya like it is honey, love me if you will
 Yeah baby
 Tired of being alone here by myself, now

 I tell ya, I'm tired baby
I'm tired of being all wrapped up late at night
 In my dreams, nobody but you, baby
 Sometimes I wonder
 If you love me like you say you do
You see baby, I I I I've been thinkin' about it, yeah
I've been, I've been wantin' to get next to you baby
 Ya see, sometimes I hold my arms, I say, oh
 Oh baby, meeting you has proven to me
 To be my greatest dream, yeah
 I'm so tired of being alone
 So tired of being alone
 So tired of being alone
 I'm so tired of being alone
 So tired of being alone
 So tired of being alone
 I'm so tired of being alone
 So tired of being alone
 So tired of being alone
 I'm so tired of being alone
 So tired of being alone
 So tired of being alone
