You're Always On My Mind

O'Bryan

You're always on my mind, instilled in my heart
You're always on my mind although we are apart
You're always, you're always, always on my mindAnd baby, the reason why I know I can't forget your face
'Cause everywhere I go, I see you every place
You're always, you're always, always on my mindLife is so empty alone with a broken heart
Please, please tell me
Honey, why, why did we have to part, oh?You know it's you I love, to my heart, you hold the key
I pray the stars above, oh, that you hurry back to me
You're always, you're always, you're always on my mind
