I Guess I Should Go To Sleep

Jack White

One two three, two two threeI guess I should go to sleep
Too hard standing on my own two feet
Been walkin' too long on a dead end street
I guess I should go to sleepI guess I'll take off my shoes
Head upstairs and then watch the news
That's another way to lose these walkin' blues
I guess I'll take off my shoesWell upstairs, upstaged, and upset
Keeping quiet is probably my best bet yet
Cause I ain't managed to say the right thing yet
Well I guess I should go back to bed
