In My Time Of Need

Seemless

In this struggle to maintain in this existence
I try to make it on my own
But I fall astray
I feel so lost
It brings me to my knees
Give me the strength I need
When I'm feeling weak
This is my time of needGive me the peace I need
When I'm feelin' restless
I need you more than ever
I know there will be a time
When I have fallen
Your hands will guide me out
And purify my soulWhen I fall
You help me to rise again
