Love

The City Harmonic

Love seems like such a tricky thing
It can find us in the gutter
And it can make us feel like kings
I could give away the whole wide world
But if I never had it
I never really had a thing

God is love
God is love
God is love

Love, love is patient, love is kind
Love it doesn't envy
Love it never suffers pride
It doesn't keep your wrongs in mind
Cause He is not the selfish type
Yeah you know that's love

God is love
God is love
God is love

Whoa

Love, love's the truth
Follows through
And won't give up

Love will not lose
And someday soon
I'll see the face of love

God is love
God is love
God is love

God is love
