

# Brokenhearted (Feat. Marvin L. Winans)

## Kirk Franklin

Come ye broken hearted come ye weary soul there is healing water that can make you whole that  
Can make you wholeCome bring tears of sorrow come bring years of pain there is healing water that can make  
you

Whole that can make you wholeAnd it flows from the veins of Jesus my savior my healer and redeemer a lover  
so true it has

Power to heal all our sin sick diseases so come to the throne

Your healing is here that can that can that

Can make you wholeYour Healing is here Forgiveness is here Salvation is here Acceptance is here Deliverance  
is here

His Presence is here his Mercy is here his Power is here Joy is here

Grace is here Love is here that can

Make you whole that can make you whole
