

I Don't Wanna Talk About It (Celtic Love Mix)

[Julienne Taylor](#)

I can tell by your eyes
That you probably been crying forever
And the star in the sky don't mean nothing to you
They're a mirror I don't wanna talk about it
How you broke my heart
If I stay here just a little beat longer
If I stay here won't you listen
To my heart, oh, oh heart If I stay all alone
Will the shadow hide the color of my heart
Blue for the tears
Black for the night's fears
The stars in the sky don't mean nothing to
They're a mirror I don't wanna talk about it
How you broke my heart
If I stay here just a little beat longer
If I stay here won't you listen
To my heart, oh, oh heart
