Stupid Shit

Girlicious

Yeah
They say she off the meter
From the track to the feet
Oh yeah, I'm vicious, so delicious
All the boys wanna eat
Go 'head and hate me baby
S-s-salty but sweet
I spin the bottle til? tomorrow
There ain't no memories
So wait it up, burn it down
Throw it back another round
Hey! I think I'm losing control
O-o-oh!
Take it high, bring it low
Are you ready? Here we go, hey!
'Cause even if the cops is comin?
I ain't gonna stop!
Let's do some stupid shit
Let's get messy messy wit it
Do some stupid shit
Yeah, I know we're not supposed to
But to hell with it
Let?s get dirty dirty baby
Are you down with it?
Well then let?s go do some stupid shit
Tell me, are you ready, baby?
Are you ready now?
I'll be your after party
Are you rockin' wit me?
I keep it hush hush
(Shh!)
How I does my thing on the D
You gon? tell everybody
?Baby girl, she wit me?
But I ain?t even trippin' pimpin'
I'm just doin' my thing
So wait it up, burn it down
Throw it back another round
Hey! I think I'm losing control

O-o-oh!
Take it high, bring it low
Are you ready? Here we go, hey!
'Cause even if the cops is comin?
I ain't gonna stop!
Let's do some stupid shit
Let's get messy messy wit it
Do some stupid shit
Yeah, I know we're not supposed to
But to hell with it
Let?s get dirty dirty baby
Are you down with it?
Well then let?s go do some stupid shit
Tell me, are you ready baby?
Are you ready now?
Tell me, are you ready baby?
Are you ready now?
(Giddy up!)
Get down wit it, get-get down
Get-get down, get-get down
(Giddy up!)
Get down wit it, get-get down
Get-get down, get-get down
(Giddy up!)
Get down wit it, get-get down
Get-get down, get-get down
(Giddy up!)
Hold this up, ?cause this a hit
Let's go do some stupid shit!
Let's do some stupid shit
Let's get messy messy wit it
Do some stupid shit
Yeah, I know we're not supposed to
But to hell with it
Let?s get dirty dirty baby
Are you down with it?
Well then let?s go do some stupid shit
Let's do some stupid shit
Let's do some stupid shit
To hell with it
Nic, Nat, Tiff, Chrys
Then let?s go do some stupid shit!
Tell me, are you ready baby?
Are you ready now? Holla!
Tell me, are you ready baby?

Are you ready now? Holla!
