

Unreliable Irresistible Girl

Bobby Fuller

My baby's got blue eyes,
such a pretty but she's held high,
unreliable irresistible girl.

I send flowers and candy,
I find her out to feel dandy,
unreliable, irresistible girl.

Though she treats me bad for a time,
I can't get her off of my mind.

Maybe soon she'll settle down,
and, maybe won't be running around,
she'll be reliable, irresistible girl.
