

Space Dementia

Muse

[Incomprehensible] is the one for me
It gives me all I need
Helps me co-exist with the chill You make me sick because I adore you so
I love all the dirty tricks
And twisted games you play on me Space dementia in my eyes
Peace will arise and tear us apart
And make us meaningless again You'll make us wanna die, I'd cut your name in my heart
We'll destroy this world for you
I know you want me to feel your pain Space dementia in your eyes
Peace will arise and tear us apart
And make us meaningless again
