## **Tantrum**

## **Pg.99**

I came to party with a thirst of for beer A wanna drink, so give me one to me My body ashes and I need one now I'm gonna get drunk and beer is the key It set my brew down for one second Went to the toilet - I had to pee When I came back it wasn't very long For me notice: My beer was goneTantrum - who stole my beer? Tantrum - you must die!!!I searched the house from the top to bottom Checked all closets and under the couch Came up empty it's nowhere to be found Guess you stole it and I will kill Is this a joke or some kind of nightmare I want my beer and I want now I gonna gun and know how to use it And I will the choice is yours
