

# Emerge

## Crassus

Hi, Huh-i  
Hyper, Hyper-media-ocrity You don't need to  
Emerge from nothing  
You don't need to  
Tear away Feels good, looks good  
Sounds good, looks good  
Feels good too, feels good too  
Uh-huh, that's right  
Feels good too  
Uh-huh, that's right You don't need to  
Emerge from nothing  
You don't need to  
Tear away  
You don't need  
Emerge from nothing  
You don't need to  
Tear away You don't need to  
Emerge from nothing  
You don't need to  
Tear away  
You don't need to  
Emerge from nothing  
You don't need to  
Tear away Uh huh, that's right  
Uh huh, that's right  
You don't need to  
Emerge from nothing  
You don't need to  
Tear away  
You don't need to  
Emerge from nothing  
You don't need to  
Tear away You don't need to  
Emerge from nothing  
You don't need to  
Tear away  
You don't need to  
Emerge from nothing  
You don't need to

Tear away Look alive  
You don't need to  
Emerge from nothing  
You don't need to  
Tear away You don't need to  
Emerge from nothing  
You don't need to  
Tear away  
You don't need to  
Emerge from nothing  
You don't need to  
Tear away
