Abracadabra

The Steve Miller Band

I don't wanna be the reason
We don't get down
So I'ma let you do the leading
And follow you now
See, I just don't usually do this
But you're bringing me out
All the doubts I had have gone away
When you're touching me I'm not afraid
Know this ain't going away, here to stay
I just wanna be your girl, your girl
I can be all you want, will you say?
I just wanna be your girl, yeah
'Cause you got my heart on lock, it's so unreal you know
Don't want this to stop, you're so damn keepable
Feel your magic touch, it's unbelievable
I gotta have you, like abracadabra
You got my heart on lock, it's so unreal you know
Don't want this to stop, you're so damn keepable
Feel your magic touch, it's unbelievable
I gotta have you, like abracadabra
I didn't even see you coming
It was such a surprise
I wasn't expecting nothing
Now I'm lit up inside
Your bringing out all the colors
No more black and white
You won the race and got the gold
So here I am, we're good to go
Know this ain't going away, here to stay
I just wanna be your girl, your girl
I can be all you want, will you say?
I just wanna be your girl, yeah
'Cause you got my heart on lock, it's so unreal you know
Don't want this to stop, you're so damn keepable
Feel your magic touch, it's unbelievable
I gotta have you, like abracadabra
You got my heart on lock, it's so unreal you know
Don't want this to stop, you're so damn keepable
Feel your magic touch, it's unbelievable

I gotta have you, like abracadabra
I don't wanna take my time
I don't wanna wait in line
I just want you by my side
Come and give me what I like
I don't wanna take my time
I don't wanna wait in line, no
I just want you by my side
Come and give me what I like
'Cause you got my heart on lock, it's so unreal you know
Don't want this to stop, you're so damn keepable
Feel your magic touch, it's unbelievable
I gotta have you, like abracadabra
You got my heart on lock, it's so unreal you know
Don't want this to stop, you're so damn keepable
Feel your magic touch, it's unbelievable
I gotta have you, like abracadabra
