Set It On Fire

Citizen Way

They say always have a plan B
They say leave yourself an out
Better know your exit strategy
Don't burn the bridges down
Well I've separated from the old me
You'd think I'd never return
But sometimes the strong
Can find themselves weak
Oh so let the whole thing burn
Set it on fire on fire on fire
Set it on fire on fire on fire
This is the heart reset
This is the 2.0
This is the wave goodbye
Or is it hello
This is the new me redeemed set free
Your love has sparked my heart
And set it on fire on fire on fire
Yea You set it on fire on fire on fire
Yea Yea Yea
There's so much freedom
Waiting for me
Why would I waste my time
Thinking darkness is a part of me
When it's just the absence of the light
Set it on fire on fire on fire
Set it on fire on fire on fire
This is the heart reset
This is the 2.0
This is the wave goodbye
Or is it hello
This is the new me redeemed set free
Your love has sparked my heart
And set it on fire on fire on fire
Yea You set it on fire on fire on fire
I'm never going back
To the chains that were broken
Never going back to the grave
I'm never going back

My eyes have been opened
Never going back
No I'm never going back
Set it on fire on fire on fire
Set it on fire on fire on fire
Set it on fire on fire on fire
Set it on fire on fire on fire
This is the heart reset
This is the 2.0
This is the wave goodbye
Or is it hello
This is the new me redeemed set free
Your love has sparked my heart
And set it on fire on fire on fire
Yea You set it on fire on fire on fire
yea yea yea
Set it on fire on fire on fire
Set it on fire on fire on fire
Set it on fire on fire on fire
Set it on fire on fire on fire
