

Hey Gyp

The Animals

I'll buy you a Chevrolet, I'll buy you a Chevrolet
I'll buy you a Chevrolet if you just give me some of your love, girl
Please give me some of your love now
Please give me some of your love girl, all right I'll buy you a Ford Mustang, buy you a Ford Mustang
I'll buy you a Ford Mustang if you just give me some of your love now
Please give me some of your love, girl
Yeah, you know what I want I'll buy you a Cadillac, I'll buy you a Cadillac, yeah
I'll buy you a Cadillac if you just give me
Some of your love now, yeah
Give me some of your love, woman, all right, yes, I will I'll buy you a house on a hill, buy you a house on a hill
I'll buy you a mansion on a hill
If you just give me some of your love now, now, now, now
Give me some of your love, good, good lovin', all right, all right I don't want your Cadillac
I don't want your Cadillac, long and shiny and black
I don't want your Cadillac, boy
I don't want your Cadillac, yeah Woman, can't you hear my heartbeat?
Can't you hear my heartbeat?
Oh, can't you hear my heartbeat?
I just need some of your love, girl
I need some of your love now, yes, I do Can't you hear my heartbeat?
Can't you hear my heartbeat?
Don't you hear my heart?
Yeah, hear my heartbeat, up, oh, my heartbeat, yeah I'm goin' under your spell like thunder
Help, help, help, help me, yeah, all right I'll take your Cadillac
I'll take your Cadillac, long and shiny and black
I'm gonna take your Cadillac, boy, take your Cadillac, now
Take your Cadillac, now, take your Cadillac Give me your love, give me your love, yeah
Oh, love, oh, love
Give me your love, just give me your love
