Low Enough

The Wannadies

You're the law, we believe in
most of all, because that's how we are
so naive, and you knew it
can't believe, you would use it
landing heart (?)
low enough, for somebody like you to hurt
low enough, for somebody like you to hurt
if I were you, I'd be sorry
but you're not me, and you will never be
feel the sting of disillusion
it's hard to breath, this corrosion
landing heart (?)
low enough, for somebody like you to hurt
low enough, for somebody like you to hurt
low enough, for somebody like you to hurt
low enough, for somebody like you to hurt
