

## **your disco needs you (german)**

# Kylie Minogue

Your disco, your disco, your disco needs you  
Your disco, your disco, your disco needs you  
Your disco, your disco, your disco needs you  
Your disco, your disco, your disco needs youDesperately seeking someone, willing to travel  
You're lost in conversation and useless at Scrabble  
Happiness will never last,  
Darkness come's to kick your assSo let's dance through all our fears  
War is over for a bit  
The whole world shoud be moving do your part  
Cure a lonely heartYour disco, your disco, your disco needs you  
Your disco, your disco, your disco needs youWe're sold on vanity, but that's so see through  
Take your body to the floor, your disco needs you  
From Soho to Singapore  
From the mainlands to the shoreSo let's dance through all our fears  
War is over for a bit  
You're a slave to the rhythm do your part  
Cure a lonely heartOh oh oh  
Oh oh oh  
Oh oh oh  
Ah ha  
Oh oh oh  
Oh oh oh  
Ah haAh  
So let's dance through all our fears  
War is over for a bit  
The whole world should be moving do your part  
Cure a lonely heartYour disco, your disco, your disco needs you  
Your disco, your disco, your disco needs you  
Your disco, your disco, your disco needs you  
Your disco, your disco, your disco needs you!
