

# Operate

## Peaches

Yeah yeah yeah, uhh  
It seems to me so strange  
Check wallet for his name  
His face is in the muck  
I think his zippers stuckHe is perfect for me  
To practice surgery  
One look coagulates  
Its time to operateJust keep it going  
Just keep it going  
Just keep it going[Chorus]  
He's not dead  
He's gonna live  
He's not dead  
He's gonna live  
I see his eyes rollin back in his head [Repeat: x4]Come on lets take him home  
I think i heard him groan  
Hold on or he will sink  
Just keep it goingYou say your not but i know you can fake it  
I can take it!Just keep it going  
Just keep it going  
Just keep it going[Chorus]
