Forever Girl

Forever The Sickest Kids

You're my forever girl
All things aside, just know
No matter what you do, I'll be there for you
When the world starts bringing you down
I'll be there to stop and lift you off the ground
'Cause we've got that thing people
Dream about and see on silver screens
It's undeniable, you're the one
The only one for me
You're my forever girl
No matter what you do
You're my forever girl
And I believe in you
Yeah, I believe in you
Yeah, I believe in you
You're the apple of my eye
My American pie, the light of my life
They say things change with time
But, one thing is for sure it won't be you and I
You and I
'Cause we've got that thing people
Dream about and see on silver screens
It's undeniable, you're the one
The only one for me
You're my forever girl
No matter what you do
You're my forever girl
And I believe in you
Go ahead and scream and cuss me out
'Cause we'll be making love before the sun goes down
No matter how angry or sad you can make me
It wouldn't change a thing
You're my forever girl
No matter what you do
You're my forever girl
And I believe in you
Yeah, I believe in you
Yeah, I believe in you
Yeah, I believe in you

Yeah, I believe in you
And I believe in you
Yeah, I believe in you
