Get to the floor

Came up listening to war war

Weekend breaks in Singapore

Preach like a priest

I sing like a whore

Do you want more?

Do you want more?

Do you know what I got in store?

Do you want more?

Do you want more?

It's so simple get to the floorIt's so simple get to the floor

Do you want more?

Do you want more?

Do you know what I got in store?I'm ice cream

And you're sorbet

They got guns but it points the wrong way

Yeah I'm on it they cirque de soleil

They make big sounds with nothing to say

School of fakeness  
I'm school of hard knocks  
You're here to fool us  
I'm here to take shots  
Look-alike, copycat  
Doppelgänger, fraud  
They ain't got nothing on me  
Now I'm getting bored  
If you're gonna be me you need a manifesto  
If you ain't got one you better get one presto  
Yeah you got money we sell bootlegs only  
When the shit counts our numbers way plenty  
We started at the bottom but Drake gets all the credit  
Paper route or life route yeah we be ready
