

# You Never Know

Jim Brickman

I never felt alone  
I was happy on my own  
And who would ever know there was something missing  
I guess I didn't see the possibility  
It was waiting all the time  
But it never crossed my mind  
Till you opened up my eyes  
Now all I think about is

[Chorus:]  
You in my life  
In my dreams  
In my heart I know it's true  
That I belong with you  
Because of you in my world  
In my arms  
I have everything and now  
I can't imagine what I'd do  
Without you

I never thought that love could be  
Such a curiosity  
But what attracted you to me  
Was so unexpected  
But it was waiting all the time  
And it never crossed my mind  
Until you opened up my eyes  
Now all I think about is

[x2:]  
In my life  
In my dreams  
In my heart I know it's true  
That I belong with you  
Because of you in my world  
In my arms  
I have everything and now  
I can't imagine what I'd do  
I can't imagine what I'd do

Without you

Without you
