

# In the Light (10th Anniversary Version)

## DC Talk

[1, 2, 3]I keep trying to find a life  
On my own, apart from You  
I am the king of excuses  
I've got one for every selfish thing I doWhat's going on inside of me?  
I despise my own behavior  
This only serves to confirm my suspicions  
That I'm still a man in need of a Savior(chorus)  
I want to be in the Light  
As You are in the Light  
I want to shine like the stars in the heavens  
Oh, Lord be my Light and be my salvation  
Cause all I want is to be in the Light  
All I want is to be in the LightThe disease of self runs through my blood  
It's a cancer fatal to my soul  
Every attempt on my behalf has failed  
To bring this sickness under controlTell me, what's going on inside of me?  
I despise my own behavior  
This only serves to confirm my suspicions  
That I'm still a man in need of a Savior(repeat chorus)Honesty becomes me  
[There's nothing left to lose]  
The secrets that did run me  
[In Your presence are defused]  
Pride has no position  
[And riches have no worth]  
The fame that once did cover me  
[Has been sentenced to this Earth]  
Has been sentenced to this EarthTell me, what's going on inside of me?  
I despise my own behavior  
This only serves to confirm my suspicions  
That I'm still a man in need of a Savior(repeat chorus 2x)[There's no other place that I want to be]  
[No other place that I can see]  
[A place to be that's just right]  
[Someday I'm gonna be in the Light]  
[You are in the Light]  
[That's where I need to be]  
[That's right where I need to be]
