

# Hey, Hey

## Dispatch

Hey, hey, hey  
Hey, hey, hey  
Hey, hey, hey

Well I'm moving kind of slow  
Down that same old path  
Wasting time inside this hour glass  
She's coming up ahead now, and I feel, yes I feel

My head turning like a race car wheel, maybe I'll try to say hi another time  
I've gotta find a way to get inside your mind  
I'll talk smooth, walk one step closer  
Be real cool, real cool, real cool, real cool, dang real cool

Say what you want, say what you mean  
Question yourself, are you really what you seem?  
Say who you are, say what you mean  
Question yourself, are you really what you dream?

Now here I come one more time, but she slides on by  
Not even a second look, she took the bait right off that hook  
I've got my blinders on tight, I pull my cap a little lower  
I can hide, hide away

You may think that this is easy for me  
But there's a lot of things you don't know  
You don't care, you don't want to see  
Long while since I've got myself across  
But maybe there's a reason for that, even if I caught you I'd throw you back

Say what you want, say what you mean  
Question yourself, are you really what you seem?  
Say who you are, say what you mean  
Question yourself, are you really what you dream?

Hey, hey, hey  
Hey, hey, hey  
Hey, hey, hey  
Hey, hey, hey

Hey, hey, hey

Well I really don't want to fall back  
Because you don't seem like you care  
And if I would fall back  
You don't seem like you care

Fall down your back, fall down your back  
Fall down your back, fall down your back  
I will not, I will not hold, hold you back  
You don't seem like you care

Fall back, you don't, fall back, you don't  
Fall back, you don't, fall back, you don't  
Fall back, you don't, fall back, you don't  
Fall back, you don't

Hey, hey, hey  
Hey, hey, hey
