

Lazlo's Career

Moxy Fruvous

(Jian)

Everyone has a groovy time with Lazlo.
He speaks poetry and brings us cheer.

(All)

We have lots of friends back in Ontario.
But right now, there is no better place than here
for Lazlo's career.

(Jian)

Take some time to change your mind,
this is the place that you will find.

(All)

The cat is fat, the cat is fat,
the cat is fat, the cat is fat.

(Jian)

Take some time, expand your mind,
do what he'd do, to be happy.

(All)

Are you happy,

(Jian)

on your own?

Don't go home.

(All)

Everyone has a groovy time with Lazlo.
We know the effervesence will be near.
We have lots of friends back in Ontario.
But right now, there is no better place than here
for Lazlo's career.

(guitar solo)

Lazlo's career

(Jian)

Take some time to change your mind,
cause this is the place that you will find.

(All)

You won't go back, it's where it's at,
you gotta pat the man, the hat, and that's a fact.

(Jian)

Take your time, expand your mind,
do what he'd do, to be happy.

(All)

Are you happy,

(Jian)

on your own?

Don't go home.

(All)

Everyone has a groovy time with Lazlo.

He speaks poetry and brings us cheer.

We have lots of friends back in Ontario.

But right now, there is no better place than here
for Lazlo's career.

Lazlo's career.

Lazlo's career.

Lazlo's career.
