

# Into the Great Wide Open

## Tom Petty & The Heartbreakers

Eddie waited till he finished high school  
He went to Hollywood, got a tattoo  
He met a girl out there with a tattoo too  
The future was wide open They moved into a place they both could afford  
He found a nightclub he could work at the door  
She had a guitar and she taught him some chords  
The sky was the limit Into the great wide open  
Under them skies of blue  
Out in the great wide open  
A rebel without a clue The papers said Ed always played from the heart  
He got an agent and a roadie named Bart  
They made a record and it went in the charts  
The sky was the limit His leather jacket had chains that would jingle  
They both met movie stars, partied and mingled  
Their A&R man said "I don't hear a single"  
The future was wide open Into the great wide open  
Under them skies of blue  
Out in the great wide open  
A rebel without a clue Into the great wide open  
Under them skies of blue  
Into the great wide open  
A rebel without a clue
