

I'm Ready

Billy Corgan

I'm ready
Oh Lord, I'm ready
I'm ready, ready, ready to roll
Ready to leave I'm ready
Oh Lord, I'm steady now
I'm ready, ready, ready to flee
Ready to turn It's your fascination I could live without
Too much information leaves my heart no doubt
Oh Lord, I'm ready now
I'm ready, ready, ready to know
Ready to learn Push the world away from your life
Cast away the pearls that bring their swine to us
Whatever shatters light has no right
Conversations spill your will
Conversations I can't feel
I'm ready, I'm ready I'm ready
Oh Lord, I'm patient now
Whoever I was wanting to be
I already am Tell me alienation
Hasn't found you out
Too few condemnations
Fill your heart with doubt Oh Lord, I'm ready now
Oh Lord, I'm ready
Oh Lord, I'm ready now I'm ready to throw away the world from your life
Cast away the pearls that bring their swine to us
Whatever shatters light has no right
Conversations say you will
Conversations I can't feel
I'm ready, I'm ready Conversations spill your will
Conversations they can't steal
I'm ready, ready for love
I'm ready, ready for love
I'm ready, ready for love
I'm ready
