

# Groovallegiance

## Funkadelic

'Bout that time, they asked me  
Where was I going, ya know  
I said, "Well, you have to be reasonable  
So you know I've never been away from home before  
And besides, they gave me a good deal  
And I think that Funkadelica is, you know, the nation  
You know, I would like to live under" Pledge a groovallegiance to the funk  
The United Funk of Funkadelica  
Dey funk, well dey funk, today funk  
Of da United Funk of Funkadelica Pledge a groovallegiance to the funk  
The United Funk of Funkadelica  
Dey funk, well dey funk, today funk  
With the United Funk, we can fly For if our cause was unjust  
We couldn't bring this funk to you  
So we feel that it's a must  
It is something we should do, you know, yeah Let me take you by the hand  
Spread the funk across the land  
It's not hard to understand  
Headin' for the master plan Pledge a groovallegiance to the funk  
The United Funk of Funkadelica  
Dey do, do dey funk  
Do dey funk Pardon me but I can tell  
We know each other very well  
Take my funk and let it grow  
And then we'll funk some more Please come on, come all to the funk  
Let your feelings grow as one  
Join this nation, you will see  
That we can make you free Pledge a groovallegiance to the funk  
The United Funk of Funkadelica  
Do dey, do dey funk? Oh yeah  
Do dey funk So if you just take the time  
You'd see, we need to draw the line  
When we do, I'm sure, you'll find  
That we come to free your mind, oh yeah
