

I Scare Myself

Dan Hicks

I scare myself
Just thinking about you
I scare myself
When I'm without you
I scare myself
The moments that you're gone
I scare myself
When I let my thoughts run
And when they're runnin'
I keep thinking of you
And when they're runnin'
What can I do?
I scare myself
And I don't mean lightly
I scare myself
It can get frightenin'
I scare myself
To think what I could do
I scare myself
It's some kinda voodoo
And with that voodoo
I keep thinking of you
And with that voodoo
What can I do?
But it's oh so, so, so different
When we're together
And I'm oh so so much calmer, I feel better
For the stars have crossed our paths forever
And the sooner that you realize it, the better
Then I'll be with you
And I won't scare myself
And I'll know what to do
And I won't scare myself
And then I'll think of you
And I won't scare myself
And then my thoughts'll run
And I won't scare myself
Then I'll be with you
And I won't scare myself
And I'll know what to do
And I won't scare myself
And I'll think of you
And I won't scare myself
And my thoughts will run

And I won't scare myself...
