Soulja Boy

Stunt (4x) Stack on Deck, Soulja
Everywhere I go, people lookin at me like
 Damn that boy cashed up
 Damn that boy swaggered up
Everywhere I be, people lookin at me like
 Damn that boy cashed up
 Damn that boy swaggered up
Racks UP, everywhere we go (3x)
Racks UP, hundred thousand show
Girls lookin at me, lookin really fancy
 Oh you so cutie, oh I'm so pretty
Oh I'm in farrari, I don't have to say sorry
 Honest lil Dre, old school no atari
Soulja Boy swaggin, pretty boy handsome
Pulled off of the club, in a drop top phantom
 360 bands as the roof panoramic
 360 bands, oh yes I'm so dynamic
 500 trap bunking like a damn fool
Ham savage shawty with a muthafuckin tool
Catch your breath bitch, yeah I'm in that new Mariah
 Everybody on me with that five on the side

Shotgun shawty holdin down the whole half
 Young Soulja Boy make the trap go ham
Yellow diamonds on me, yeah bitch I paid cash
 500K, Mr. Digital Dash
 Digital digital, everything digital
White wrist black chain, Soulja Boy I'm gettin 'em
 Killin 'em killin 'em, everyday I'm rippin 'em
Put your lighters up, kush up racks up (TAKEOFF)
 Young Dre, I do it big
 Scarface mansions, that's how we live
 Great bentley, but I got to do it in
 Right shawty mane I had to put it in
 Put in work in on the fuckin block
 Yellow diamond brightlin, fuck a clock
Soulja Boy tell 'em yes I'm posted on the top
 Mixtape bunking oh my God I'm so hot
Hot like a bitch, everybody know my name

Red bentley bitch, call that shit fire flame
Soulja Boy tell 'em, oh my God I bring the pain
VIP monday night, making it damn rain
Splash, cash yeah it's me
Yellow diamond shawty, 100 for a key
Soulja Boy tell 'em, I might charge a fee
Walking through the hood, everybody notice me
