We Go Together

Travolta, John

The places where we used to meet we go together
Step by step like shoes on the feet we go together
Just like the sand out in the sea what good is sugar if you have no tea
What good 're you if you don't have me we go togetherThat old feeling we used to get even feels better
There was a girl you made me forget the day I met her
Just like the tears in a baby's eyes just like the stars up in the sky
Like ice-cream and an apple pie we go togetherWe go together like the storm and rain just like the fire that needs the flame
Just like the picture needs the frame we go together
We go together like the moon and June just like the fork needs the spoon
Just like the song that needs the tune we go togetherWe go together
We go together
Yeah the places where we used to meet [unverified]
We go together like the storm and rain [unverified]
