

Numb

ZHU

Love me 'til I'm numb, baby
We gon' sip on this wine
Let me touch you
I can feel your heart racing
In the morning light, let's go one more time
One more time
Love me 'til I'm numb, baby
We gon' sip on this wine
Let me touch you
I can feel your heart racing
In the morning light, let's go one more time
One more time I'm addicted to the life that I choose
But I'm into you, I'll connect to you
Help me numb the pain of feeling secluded
Girl, you know what to do, I'll connect to you I'm addicted to the
