Miss You

Between the Trees

I miss you more than you even know
More than you probably care
More than I ever show to you, my dear
At least in words aloneAnd how does it make you feel
To hear me say that I miss you?
And how does it make you feel
To hear me say ooohhh
That I wanna stand next to you for a while
I wanna hear you sayI miss you more than you even know
More than I seem to share
And where would I go
If ever you weren't there?And how does it make you feel
To hear me say that I miss you?
And how does it make you feel
To hear me say ooohhh
That I wanna stand next to you for a while
I wanna hear you say, yeahOh oh ohh oh
I wanna stand
Oh oh ohh oh
I wanna stand
Oh oh ohh oh
I wanna stand next to you
Next to youOh oh ohh oh
I wanna stand
Oh oh ohh oh
I wanna stand
Oh oh ohh oh
I wanna stand next to you, yeahI wanna stand next to you for a while
I wanna hear you say
