

# One Step At A Time

## Jordin Sparks

Da, da, da  
Dum, da, da

Hurry up and wait  
So close, but so far away  
Everything that you always dreamed of  
Close enough for you to taste  
But you just can't touch

You wanna show the world but no one knows your name yet  
You wonder when and where and how you're gonna make it  
You know you can, if you get the chance  
In your face, seems the door keeps slammin'  
Now you're feelin' more and more frustrated  
And you're gettin' all kind of impatient  
Waitin'

[CHORUS:]  
We live and we learn to take one step at a time  
There's no need to rush  
It's like learning to fly, or falling in love  
It's gonna happen when it's supposed to happen  
That we find the reasons why  
One step at a time

Da, da, da  
Dum, da, da

You believe, and you doubt  
You're confused, you got it all figured out  
Everything that you always wished for  
Could be yours, should be yours, would be yours  
If they only knew

You wanna show the world but no one knows your name yet  
You wonder when and where and how you're gonna make it  
You know you can, if you get the chance  
In your face, seems the door keeps slammin'  
Now you're feelin' more and more frustrated  
And you're gettin' all kind of impatient

Waitin'

CHORUS

We live and we learn to take one step at a time  
There's no need to rush  
It's like learning to fly, or falling in love  
It's gonna happen when it's supposed to happen  
That we find the reasons why  
One step at a time

When you can't wait any longer  
But there's no end in sight  
(When you need to find the strength)  
It's the faith that makes you stronger  
The only way we get there  
Is one step at a time

CHORUS

Take one step at a time  
There's no need to rush  
It's like learning to fly, or falling in love  
It's gonna happen when it's supposed to happen  
That we find the reasons why  
One step at a time

[CHORUS:]

One step at a time  
There's no need to rush  
It's like learning to fly, or falling in love  
It's gonna happen when it's supposed to happen  
That we find the reasons why  
One step at a time
