Forbidden Tales

Evenfall

silence is breaking
the dawn of a new day
listen to the call
of the beast
somewhere you lost
the dream
sometimes you wonder
where's the end
open the gates of savagery
feel the walls become sand
beneath your feet
there's been no escape...
there's been no escape
from the power of satan
in hoc...
can you feel the evil?
the sky is beginning to silver...
i believe no god may save
us now... us now...
silence is breaking
the dawn of a new day
listen to the call
of the beast
open the gates of savagery
feel the walls become sand
beneath your feet
there's been no escape...
there's been no escape...
from the power of satan...
