

Seven Years in Tibet

David Bowie

"Are you okay?
You've been shot in the head
And I'm holding your brains"
The old woman said
So I drink in the shadows
Of an evening sky
See nothing at allThe stars look so special
And the snow looks so old
The frail form is drifting
Beyond the orc's zone
Time to question the mountain
Why pigs can fly?
It's nothing at allI praise to you
Nothing ever goes away
I praise to you
Nothing ever goes
I praise to youI praise to you
Nothing ever goes away
I praise to you
Nothing ever goes
