

# A World Alone

Lorde

That slow burn wait while it gets dark, bruising the sun.

I feel grown up with you in your car, I know it's dumb.

ooh ooh ooh ooh ooh ooh

ooh ooh ooh ooh ooh ooh

ooh ooh ooh ooh ooh ooh

We both got a million bad habits to kick - not sleeping with one.

We're biting our nails, you're biting my lip, I'm biting my tongue.

ooh ooh ooh ooh ooh ooh

ooh ooh ooh ooh ooh ooh

People are talking, people are talking (ooh ooh ooh ooh ooh ooh)

People will talk, yeah, people will talk

Raise a glass cause I'm not done saying it.

They all wanna get rough, get away with it.

Let 'em talk cause we're dancing in this world alone, world alone, we're alone.

All my fake friends and all of their noise, complain about work

They're studying business, I study the floor, and you haven't stopped smoking all night.

Maybe the Internet raised us, or maybe people are jerks.

People are talking, people are talking (But not you)

People are talking, people are taking

Raise a glass cause I'm not done saying it.

They all wanna get rough, get away with it.

Let 'em talk cause we're dancing in this world alone, world alone, we're alone.

All the double edged people and schemes

They make a mess, then go home and get clean

You're my best friend, so we're dancing in a world alone, world alone, we're all alone.

I know in our heart everlasting

We're a train wreck waiting to happen

One day the blood won't flow so gladly

One day we'll all get still(people are talking, people are talking)

Get still? (People are talking, people are talking)

ooh ooh ooh ooh ooh ooh

ooh ooh ooh ooh ooh ooh

People are talking, people are talking (ooh ooh ooh ooh ooh ooh)

People are talking, people are talking

ooh ooh ooh ooh ooh ooh

ooh ooh ooh ooh ooh ooh

People are talking, people are talking (ooh ooh ooh ooh ooh ooh)

People are talking, people are talking

Raise a glass, cause I'm not done saying it.

They all wanna get rough, get away with it.  
Let 'em talk cause we're dancing in this world alone, world alone, we're alone.  
All the double edged people and schemes  
They make a mess, then go home and get clean  
You're my best friend, so we're dancing in a world alone, world alone, we're all alone.  
People are talking, people are talking  
People are talking, people are talking  
People are talking, people are talking  
People are talking, people are talking  
Let 'em talk
