

# Take Me Down

Gary Clark Jr.

When this train rolls down the track  
I'm not coming back  
Gotta one-way ticket, I'm going home  
Back where I started from Oh, take me down south  
When you take me home, Lord  
When you take me home, Lord The last time I saw you  
I meant to say I love you  
I've been right and I've been wrong  
But I always miss you when I'm gone Oh, take me down south, yeah  
Take me down south  
Oh, when you take me home, Lord  
You take me home, Lord Oh, take me down south  
Take me down south  
Take me down south  
Take me down south  
Lord, when you take me home, yeah  
When you take me home, yeah Wanna be next to my baby, yeah, yeah
