Remember Tomorrow

[Opeth](#)

Unchain the colors before my eyes
Yesterday's sorrows, tomorrow's white lies
Scan the horizon, the clouds take me higher
I shall return from out of the fire
Tears for remembrance and tears for joy
Tears for somebody but this lonely boy
Out in the madness, the all-seeing eye
Flickers above us to light up the sky
Unchain the colors before my eyes
Yesterday's sorrows, tomorrow's white lies
Scan the horizon, the clouds take me higher
I shall return from out of the
