

In the Presence of the King

Smokie Norful

Ooohhhh

(This is my testimony)Verse 1

There is nothing,

I desire,

More than to be,

Where you are,

Cause when I'm with you

My broken heart

Is mended

I, Am, Totally,

Set Free

In the presence of the KingRefrain

There is I desire

More than to be just where you are

When I'm with you

Chains are broken

I am totally set free

(In the presence of the king)There is nothing more than I desire

More than to be just where you are

When I'm with you

My enemies have to flee

I am totally, I'm totally set free

when im in the presence of the KingREFRAIN

There is nothing I desire

More than to be just where you are

When I'm with you

Chains are brokenI am totally set free (2x)REFRAIN

Draw me nearer,

(Draw me nearer Jesus, I just wanna be close to you God),

I Pray

(Let me feel your presence, Let me feel your presence,so that I....)

So that I won't go astrayVerse 2

When I'm with you

Everything is put together

I am totally,totally set free

In the presence ,

In the presence of the KingI am totally set free

In the presence of the King (4x)In the presence of the King!
