

Egg Raid On Mojo

Beastie Boys

Egg raid on Mojo
Egg raid on Mojo
Egg raid on Mojo
Egg raid on Mojo We dressed all in black, we snuck up around the back
We began to attack
The eggs they cracked on Mojo's back, go Egg raid on Mojo
Egg raid on Mojo
Egg raid on Mojo
Egg raid on Mojo Gonna fight, gonna fight, gonna egg raid tonight
Gonna fight, gonna fight, gonna egg raid tonight
