# Get To Me

## Jennifer Paige

Don't misread the silence
And take my distance as a sign
There's only one heart
That's confused
And it's most likely mine
I always make the rules
And I change 'em all the time
Always stayed a step ahead
'Til you looked into my eyes
My thoughts are frozen
Can't you hear me
Screaming inside
As you come closer
Don't know where to run this timeI feel weak,
I'm never weak
I always know what to say
Don't look at me
I can't speak
How did you get to me this way?
All I know is what I feel
And what I feel is way too real
Who I am is what you see
Baby how did you ever get to me
Ever get to me, ever get to meIt could be so easy
If you'd make just one mistake
Then I won't feel the way I do
And I'll say it's fate
But this emotion
I keep tryin' to leave behind
Keeps getting closer
Don't know where to run this timeI feel weak,
I'm never weak
I always know what to say
Don't look at me
I can't speak
How did you get to me this way?
All I know is what I feel
And what I feel is way too real
Who I am is what you see

Baby how did you ever get to me
Ever get to me, ever get to me(All I know is what I feel)I feel weak,
I'm never weak
I always know what to say
Don't look at me
I can't speak
How did you get to me this way?
All I know is what I feel
And what I feel is way too real
Who I am is what you see
Baby how did you ever get to me
Ever get to me, ever get to me(All I know is what I feel
And what I feel is way too real
Who I am is what you see
Baby how did you ever get to me
Ever get to me, ever get to me)
