Believe (Ð¡Ð¾ Ð¡ÐºÑ€Ð¸Ð¿ÐºÐ¾Ð¹)

Dima Bilan

Even when the thunder and storm begins
I'll be standing strong like a tree in the wind
Nothing's gonna move this mountain
Or change my directionI'm falling off that sky and I'm all alone
The courage that's inside is gonna break my fall
Nothing's gonna dim my light withinBut if I keep going on
It will never be impossible
Not today'Cause I've got something to believe in
As long as I'm breathing
There is not a limit to what I can dream
'Cause I've got something to believe in
Mission to keep climbing
Nothing else can stop me if I just believe
And I believe in meEven when the world tries to pull me down
Tell me that I can try to turn me around
I won't let them put my fire out
Without noBut if I keep going on
It will never be impossible
Not today'Cause I've got something to believe in
As long as I'm breathing
There is not a limit to what I can dream
'Cause I've got something to believe in
Mission to keep climbing
Nothing else can stop me if I just believe
And I believeI can do it all
Open every door
Turn unthinkable to reality
You'll see I can do it all and moreBelieving
As long as I'm breathing
There is not a limit to what I can dream
'Cause I've got something to believe in
Believing
Mission to keep climbing
Nothing else can stop me if just believe
And I believe me
