## Flight of the Conchords

Too many muthauckas  
Uckin' with my shi  
There's too many muthauckas  
Uckin' in my shi  
(Uckin' with my shi)Too many muthauckas  
Uckin' with my shi  
(With my shi)  
How many muthauckas?  
A too many to kill, muthauckasI pay my muthauckin rent fortnightly  
Muthauckas at the bank trying to play me  
And I'm out for my account cause out on A.P  
On A.P., yeah, you know meMuthaucka charge a two buck transaction fee  
Makes my payment short, my rent comes back to me  
Minus a twenty-five dollar penalty  
So, you'll feed me 'cause of your muthauckin feeRead the word on my ATM slip  
It said, We're all muthauckas  
And we're uckin with your shi  
Come onToo many muthauckas  
Uckin' with my shi  
(My transaction shi)  
There's too many muthauckas  
Uckin' with my shi  
(My weekly statement shi)Too many muthauckas  
Uckin' with my shi  
(With my balance shi)  
How many muthauckas?  
Too many to kill, muthauckasThe muthaucka runs a racist uckin grocery  
The muthaucka won't sell an apple to a Kiwi  
The shi fight's gonna get vicious and malicious  
Cut the cra, I need my red deliciousTells me as a Kiwi that my money isn't valid  
Gonna dice the muthaucka  
Like a muthauckin fruit salad  
Then Granny Smith, an avocado, a mango  
Then pop an apple in his ass, yeahToo many muthauckas  
Uckin' with my shi  
(I'm gonna juice the mutha ucka)  
There's too many muthauckas  
Uckin' with my shi  
(He's gonna wake up in a smoothie)Too many muthauckas

Uckin' with my  
Everybody come on, yeah  
Too many muthauckas  
Uckin with my shi'
