

# First One To Know

[Stoney LaRue](#)

If I let you down, I'll be fast as lightening  
Here and gone like the storm that you're riding  
It won't take long, and I'll turn a stone When I lift you up, I'll be slow and easy  
And I can't blame you if you don't believe me  
Hope comes along, I'll keep you safe and warm If I'm not acting like myself lately, doing things that I don't  
Not sure why, but you want to hate me, it's just a spell I suppose  
When I'm back to my old self again my love  
you'll be the first one to know I guess we're all just getting older  
Looking back in time over our shoulder  
Right or wrong, there's two sides to every song  
If I'm not acting like myself lately, doing things that I don't  
I'm not sure why, but you want to hate me, it's just a spell I suppose  
When I'm back to my old self again, my love  
you'll be the first one to know  
When I'm back to my old self again, my love  
you'll be the first one to know
