# New Love

## Julia Price

Iâ€™ve fought until I lost my voice
Made every bad mistake and choice in love
I had given him my every breath and thought
But he told me that it wasnâ€™t enough

So I packed up all my things
Put my heart on paper to hear it sing
But then I met you
I donâ€™t know what it is you do
But I canâ€™t stop smiling

CHORUS
Iâ€™ve got a new love
And a whole new start
Iâ€™m a whole new girl, with a fresh new heart
So pick me up
And take me wherever you may go
New love, I just might fall in love you know

Oh my god itâ€™s eight in the morning
I canâ€™t believe we spent the whole night talking
An hour passes in a second with you

I play you guitar in my underwear
You listen to me with your hand in my hair
Then you kiss me and I float right out of this room

CHORUS
Iâ€™ve got a new love
And a whole new start
Iâ€™m a whole new girl, with a fresh new heart
So pick me up
And take me wherever you may go
New love, I just might fall in love you know

Sitting on your rooftop in the rain
Drinking coffee mugs of cheap champagne
You make me laugh

You make me laugh

CHORUS
Iâ€™ve got a new love
And a whole new start
Iâ€™m a whole new girl, with a fresh new heart
So pick me up
And take me wherever you may go
New love, I just might fall in love you know
