

# Kick It Wit You

## Cassidy

This is for the grown and sexy  
This is for the grown and sexy  
This is for the grown and sexy  
This is for the grown and sexy If you down with me then I'm down with you  
I lay a nigga down if he fuck around with you  
And if you ride wit me I ride wit chu  
And if you stick by my side I'll provide for you And if you there for me I'll be there for you  
Through the laughter and tears I'll care for you  
And if you role wit me I'll role wit chu  
Be your friend till the end and grow old wit chu Peep it though, I'm a pimp and I keep a hoe  
I met this on the low freak like a week ago  
Yo I'm on the avenue and she was walking by  
While I'm coming out the store wit a bag or two I woulda passed on her but mami had a ass on her  
That'll have you spending cash on her  
I move fast come on I'm like come here boo  
And she was nice from her shoes to her hair do Her bracelet was right she had jewels in her hair too  
Type that chu might make your wife in a year or two  
Yeah boo you officially nice that's why  
I'm trying to get wit chu tonight, I'ma hit chu aight? Hey miss thang, you're so sexy  
Can we hang, I want to show you how I  
Do my thang, I'ma getcha  
I, I just wanna kick it with you Hey miss thang, you're so sexy  
Can we hang, I want to show you how I  
Do my thang, I'ma getcha  
I, I just wanna kick it with you Now when I got to the spot I was ringin' her phone  
Like I'm thinking 'bout bringing you home  
But that ain't what it's all about  
Unless that's what chu thinking about  
I ain't fresh I'm just taking you out Listen, getcha hair done, getcha nails fixed  
Do all of that and call me back on the cell sis, I ain't the hell rich  
But I'm still gone fill you wit champagne stuff you with shell fish Lock still reppin' Tony blue gotcha  
This life style's only for mobstas, I gotcha  
We goin' to dinner spot round ten o'clock  
I'mma drive by beep da horn then spin the block  
And let me know if you are down to row with me Hey miss thang, you're so sexy  
Can we hang, I want to show you how I  
Do my thang, I'ma getcha  
I, I just wanna kick it with you Hey miss thang, you're so sexy  
Can we hang, I want to show you how I

Do my thang, I'ma getcha  
I, I just wanna kick it with you  
Now when I went to get her we went to dinner and ate right  
But dis da late night I'm tryna see what her face like  
She ain't da first date type she got class  
But she dealin' wit da Dee dot cash ya heard dat?  
Got off da turnpike she like me to air dat  
I reached in my pocket and got it like hold up  
I passed her a dub and a dutchie like roll up  
Somethin' came to me I made a you-whee you know what?  
You playin' games ma and I'm a player right  
But I ain't playin' when I sayin' you should stay da nite  
I'm sayin' like if I ain't poppin' you off  
I'm gettin' topped at da bus stop and droppin' you off  
Let me know if you are down to row with me  
Hey miss thang, you're so sexy  
Can we hang, and I want to show you how I  
Do my thang, I'ma getcha  
I, and I just wanna kick it with you  
Hey miss thang, you're so sexy  
Can we hang, I want to show you how I  
Do my thang, I'ma getcha  
I just wanna kick it with you  
Hey miss thang, sexy sexy  
Can we hang, you are my one and only  
Do my thang, I just wanna kick it with you  
Baby you know you got some wit u  
Hey miss thang, you're so sexy  
Can we hang, I want to show you how I  
Do my thang, how I do my thang
