

Damaged

Diesel Boy

here she comes in her purple doc martens got an earring thru her nose =
she's got chains on her leather jacket you better watch out 'cause i know =
her here she comes walking down the avenue better watch out she'll walk =
all over you and i know one thing and i'll tell you that's she's truly =
damaged if you don't believe me you can find out for yourself wo-oh, =
wo-oh, walk all over you here she comes walking oh so smart she's got =
everything you know diesel boy on her leather jacket you better watch =
out 'cause i know her
