I Got This

George Canyon

You've got those legs
they've dying to dance
I've got this drink
Can't wait to put in your hand
You've got those jeans
You've been wanting to show off
You've got that friday night feeling like you wanna get lostI got this car wide open
Got these headlights pointing me your way
Hey, hey, hey
I got this old school thumping
Got them good times coming baby
Hey, hey, hey
If you wanna go all night long
Go whiskey strong
Crazy on a midnight kiss
I got this
I bet you look
ALl kinds of killing it good
It's been a long week
I bet you're wishing you could
forget about it
I'm all about it
If you're looking for love you've found itI got this car wide open
Got these headlights pointing me your way
Hey, hey, hey
I got this old school thumping
Got them good times coming baby
Hey, hey, hey
If you wanna go all night long
Go whiskey strong
Crazy on a midnight kiss
I got this
I got this back seat
And I got some sweet talk
If I ain't got it, I can get it girl
Whatever you want
I got this, got thisI got this car wide open
Got these headlights pointing me your way
Hey, hey, hey

I got this old school thumping
Got them good times coming baby
Hey, hey, hey
If you wanna go all night long
Go whiskey strong
Crazy on a midnight kiss
I got thisI got this, got this, got this
Yea baby, I got this
I got this, got this, got this
