

# Black Rainbow

## St. Vincent

There's a black rainbow above my house  
Match the curtains and the floor

I think I'm glass I think I'm breaking it  
Wrecking ball outside the door

Let the children act like furniture  
For the ladies of the lawn

But I can't see them, I can't see at all.  
Here it's nighttime, all the time

Bird outside the kitchen, fightin' his reflection  
Tell him I got nothin' for him  
Bird outside the kitchen, fightin' his reflection  
What's he gonna win when he wins?

The unkissed boys and girls of paradise  
Are lining up around the block  
Back pockets full of dynamite  
While neighbors talk and talk and talk

Bird outside the kitchen fightin' his reflection  
Tell him I got nothin' for him  
Bird outside the kitchen fightin' his reflection  
What's he gonna win when he wins?

Throw  
the phone out the window

If you want the neighbors woke  
You'll have to shout out loud and set the bell and slow

If you want the neighbors woke  
You'll have to shout even louder
